IF GOETZ GOES FREE BLACK PEOPLE SHOULD ARM THEMSELVES!

Black youth targets of state & NAZI vigilantes!! *WHITE SUPREMACY MUST BE FOUGHT AND DESTROYED*! REAGAN led drive toward U.S. fascism must be opposed and smashed forever!

Dying US imperialism still feeds directly off continued black slavery!

It is South Africa's bloody pump bloated off the super profits of white supremacy!

They jailed Garvey and Elijah Muhammad, killed Malcolm & Martin Luther King. Murdered Medgar & Bobby Hutton & Fred Hampton.

Blew up little girls in Sunday school, Emmett Till, Chaney, Goodman, Schwerner, Sandy Smith, tortured Robeson to death, drove Dubois & Wright out.

Murdered Lumumba, Cabral, Mondlane, David Sibeko, Samora Machel, Toure, Bob Marley, College students at Jackson & Orangeburg & Houston & Kent State.

Bunchy Carter, John Huggins, Walter Koontz, Kamil Wadud, Harold Wilson, Kimako Baraka, Patrick Bacote, Lumumba Shabur, George Jackson, Mikey Smith, Tom White, Marvin Gaye, Destroyed Adam Powell, Chas Diggs, free klan & individual white lynchers systematically.

South Africa Fascism. They freed Goetz like they freed Mrs. Bumpurs murderers, Emmett Tills!

They assassinated Maurice Bishop and Walter Rodney, Ruwa Chiri, Steven Biko.

There are more black people murdered by the state and imprisoned in the U.S. than in S Africa *even percentage wise & relatively*!

Israeli Imperialism & South African Racial Fascism.

Israel is to the Palestinian People as the South Africans are to the enslaved black South African majority!

Both these *primitive settler* colonies are the *overseers* of the African continent & Arab world. The pivotal economic & strategic position from which to maintain the worldwide rule of White Supremacy (Imperialism's social philosophy & organization) based on Monopoly Capitalism & the super economic exploitation of *all* colored people!

The Goetz white wash openly supports the *Klan & Nazi* murder of black & white communists at an Anti Klan rally in Greensboro.

It reflects the murder of Louis Baez by Brooklyn cops, shot 22 times. Claude Reese, Arthur Miller, a black Congressman, College Student with full scholarships, Michael Stewart, Nwk boy on Clinton Ave.

Self Defense, Self Respect, Self Determination

Malcolm X sd the African American people must consciously struggle for Self Defense, Self Respect & Self Determination.

AGAIN, WE MUST DECLARE *WAR*!

The US cities with Black pol electoral power must openly utilize this as a resource to stop the fascist tide. Just as the independent African States must aggressively struggle against South Africa & Israeli racial Fascism & colonialism.

Together with the OAU & with united front of anti fascist nations & peoples united against South African Racial Fascism

& its continuing attacks on black Africa must *declare war* on the South African state!

Self Defense

If Goetz can carry a gun, *the African American people must consciously arm themselves* against racial violence sanctioned by the state!

We must treat the cities of our majority & pol strength as *Democratic Zones*, that must be defended with our *lives*!

The only reason our lives are made tragic by poverty & ignorance & repression is white supremacy. This has *always* been how the US used us as chattel *slaves*.

Despite our continuous heroic struggle & the more democratic technological economic face monopoly capitalisms development has helped organize. Economic recessions mean social reaction. There is then a re emphasis on the slave relations the African American people historically have had & continue to have in the U.S.

White supremacy based slavery continues to rule America and the African American people have to be re-enslaved to continue this slave societies prosperity for the white rulers & the bribed &/or unconscious backward sector of US whites. There is also a wagon load of Black *comprador* sick prostitute Negro boot licking traitors!

The US, South Africa & Israel are the bulwark of white racist rule internationally w/Britain & W. Germany as *Consiglare & Capo*. The rest of Europe stay prosperous because of it, but are generally more polite.

Unless there is a democratic world society of economic & political *equals*, with full self determination, self respect & self defense, a world nuclear war will destroy modern society!

The Goetz Case makes South African racial fascism *legal* in the U.S. & thereby justifiable any where! The 60's supposedly ended the existence of colonialism & segregation & discrimination & institutionalized racism in the US & Africa particularly! Now US led white Power imperialism seeks to turn the clock back all over the world.

Our organizations are weak our power dispersed the masses confused and assaulted! *Our children have become an endangered species*, our families attacked, impoverished, Black

youth involved in drugs as the only available employment - while certain white people roll in money & lie & kill & plot against democracy & equality against a world of democratic *human* cooperation & peace!

Black People will not submit to white supremacy & enforced social inequality & dependence, Nothing in this world will make us kneel to Ignorant Arrogant animal like beings who make a living murdering people!

Resist! is what the old folks said. Struggle! they cried. Self Determination, Self Respect, Self Defense. Death to the Klan! Death to Apartheid! Destroy fascism & racial slavery *forever*!

Minimally the Klan & Nazi organizations must be banned. We have documented evidence they are a murder gang of racial fascists US native nazis!!

They are the protectors of slavery. The cities where blacks have political influence *must Ban the Klan & Nazis in their cities immediately!*

BACKLASH

The anti black mood of Reagan neo fascism also permits open attempts at limiting, undermining, recontrolling or otherwise opposing black political and social self determination. They are lying to the school systems in black majority cities. *Community control* is being destroyed systematically since the gains of the 1960's black struggle eliminated open slavery survivals.

Black Studies are eliminated in college along with black students faculty & staff.

White fascist attacks on Blacks in the US parallels South Africans or the invasion & occupation of Grenada. Bombing Libya behind lies! Propping up fascism wherever it is profitable.

Imperialism & white supremacy ultimately mean world fascism or wars of annihilation by chemicals or weapons or bribery & secret murder.

The Doomed European Jews were depicted as a *criminal class*. As inferior sub humans. Finally they were killed with the same mass complicity & Nat'l Nazi leadership!

It has been shown repeatedly that white policemen, the Klan & US Nazis, assorted racists of various classes, even US presidents, governors or State supt of schools all have been historically *hostile* to black life & development. There's no doubt if

"hostility" is the measure all blacks must carry arms!

The six white youth, loitering in front of a delicatessen on Long Island who laughed patronizingly the day after the Goetz verdict were hostile too, as I approached. "Gimme Five," a more aggressive one said, in mock friendship to me.

"Five Rounds or Five Games" says I, alluding to Michael Spinks wasting of white hope Gerry Cooney, & the Lakers demolition of Bird & the white supremes.

This is the fundamental conflict. The African American's spectacular cultural presence in the US & the world versus continuing black slavery's, white supremacy social life.

Struggle, resistance, the mobilization & organization of the African American people together with the anti fascist majority of all nationalities these are humanities weapons of survival in the U.S. These are the only means to stop the rise of fascism & destroy it.

It is the world now, on the real side, this "war of armageddon" must be fought. The triumph of fascism & world reenslavement of colored people is fascism's goal, the apotheosis of white supremacy. But to submit to fascism & white supremacy is to co-sign the death of human civilation, at least on this planet, for a very long time! World Nuclear Destruction is white supremacy's ultimate madness.

The African & African American struggle for democracy is the cutting edge of world struggle for democracy because the power and wealth of white supremacy is the basis for world underdevelopment and the continuing plague of the animal called imperialism and its diseased wolf pack mentality & social org white supremacy!

IF GOETZ GOES FREE BLACK PEOPLE MUST ARM THEMSELVES!
Death to White Supremacy, Apartheid & All fascism!
Death to Imperialism!!
